Using Form to Change Plans

• Retirees can use UBEN 100 form:
  ucnet.universityofcalifornia.edu/forms/pdf/uben-100.pdf

• You must use form if:
  • Your September through December retirement is pending
  • You want to suspend or un-suspend medical and/or dental plans
  • You have a Via Benefits plan, moved back to CA, and are returning to UC plan coverage

• Instructions are on the form.

• Must submit form to RASC by November 24 at 5 pm

• Medicare enrollees will have a separate Medicare form to complete if changing plans - see next slide
Open Enrollment Step 2 for Medicare Enrollees Making Changes

- **Step 1**: Change plan with UC (see slides 3-5)

- **Step 2**: Complete the **UC Medicare form** for your new plan. *The form must be returned to RASC by Monday Nov. 30, 2020.*
  - Form necessary if you change plan vendors to reassign Medicare.
  - After making plan change online, you will receive an email referring you to UCRAYS for message. Form will be sent to you in UCRAYS. If no email on file, form will be mailed to you.
  - All Medicare members under your coverage must complete a separate form.
  - Find forms online here, [https://ucnet.universityofcalifornia.edu/forms/number.html](https://ucnet.universityofcalifornia.edu/forms/number.html)
    - **UBEN 121** for United Healthcare UC Medicare Choice - assigns Parts A, B, D to plan
    - **UBEN 123** for Anthem Blue Cross UC Medicare PPO or High Option - assigns Part D to plan
    - **UBEN 127** for Kaiser Senior Advantage - assigns Parts A, B, D to plan

- **Medicare’s Open Enrollment runs from October 15 to December 7. This is not UC’s open enrollment. You must comply with UC’s OE dates when you are making changes to your UC plans, even if they are plans that work with Medicare.**
Retiree Medicare Enrollment Requirement Review

• If eligible for premium-free Part A, UC requires you to enroll in Medicare and coordinate it with your UC retiree health plan.*

• Apply for Medicare Parts A&B three months before 65th birthday month. [https://www.ssa.gov/medicare/](https://www.ssa.gov/medicare/)

• Part D - your UC medical plan coordinates you with Part D.

• You pay Part B premiums and may pay Part B and Part D Medicare Income Related Monthly Adjustment Amounts (IRMAAAs), if higher income. [https://www.ssa.gov/benefits/medicare/medicare-premiums.html](https://www.ssa.gov/benefits/medicare/medicare-premiums.html)

• Look for letter from the Retirement Administration Service Center (RASC) about 2 ½ months before 65th birthday. Complete form and return to RASC or UC plan (address and instructions on form).

• Welcome to Medicare Survey, Medicare Coordination of Benefits Form – on recall with retiree health coverage? On Medicare’s COB form indicate: working - yes; group coverage through employer - no. If Medicare not paying as primary, call Medicare COB office at 1-855-798-2627 and provide retirement date.

*If not eligible for Part A due to lack of Social Security credits and you are continuing to work for another employer after retiring from UC and do not have active employee coverage, OR you may later become eligible for Medicare through a spouse, you may want to consider enrolling in Part B at age 65 to avoid late enrollment penalty from Medicare later. Part B eligibility is separate from Part A. If you think this may apply to you, call or email the UCLA HCF to discuss.
